

HUB NATION

DIGITAL SUMMIT 2020

June 19th 2020

Welcome to Hub Nation Digital 2020.

We are so excited that you have made it your priority to join us as we discover how heaven is "Leading the Global Reset".

Hub Nation has grown as a transformation movement bringing thought leaders and innovators together from every sphere of society to collaborate to solve the worlds most pressing problems.

You will be inspired... you will be challenged... you will get connected... and you will be mobilized to not only define your NEXT, but to capture it! God has handed us a unique opportunity, as forerunner's, to lead our world with strategies that have been waiting to be revealed for such a time as this.

You are ready! You are favored! You are not alone! Together we have come to the mountain of the Lord to hear Him speak as He releases your divine blueprints.

Our team has been praying that you will experience way more than you could ever imagine and that you will have the divine connections that are needed for the next season of your mandate.

Your success is our priority so be sure to let us know if there is anything else we can do to make this interactive experience the very best.

Sincerely,

Bobby Haaby
Founder & CEO of Hub Nation & Eagle Mountain

We want to make sure that your experience at Hub Nation Digital is excellent, both from a learning perspective, but also from a “connection” perspective. Let’s be real, virtual conferences are a bit odd for networking.

We believe they don’t have to be!

That is why we have spent so much effort to make our Virtual One on One networking tool the best it can possibly be. PLEASE do not skip this part of our event, give it a try, you will not regret it!

It’s also super important that you participate as much as possible at an event like this, it’s easy to just kind of “skip” the participating because you’re home in your own environment. PLEASE do not skip the engagement either. A virtual event is only going to be as good as the effort you put into it, so make the most of it, answer the polls, answer the questions, do the activities & exercises, trust me you don’t want to skip a single thing!

So then, if you have ANY trouble during the event, please don’t hesitate to reach out, we are here to help you! We want to make sure everything is working perfectly for you so if you have any questions don’t be afraid to reach out and ask!

RAFT: FOUR LETTERS EVERY LEADER NEEDS NOW

A Simple Way to Gain Clarity and
and Act Boldly in Uncertain Times

Domains of Life

Directions:

Rate yourself on a scale of 1 to 10 in each sector of the diagram above.

1 = Poor (Things are really unsatisfactory in this area.)

10 = Excellent (Things are about as good as you can imagine them to get in this area.)

Color or shade in each area up to the rating you've given yourself, so you have a visual representation of the differences between the various domains of your life. In other words, if you rate yourself a "6" in growth and learning shade in everything below "6" in the growth sector. If you rate yourself a "9" spiritually, color in everything below "9" in the spirituality sector.

Reflect on and evaluate the differences between sectors.

Exercise #1: Qualification for a Business Pivot and/or Expansion

Get quiet and ask the Holy Spirit the following questions. Write down the responses you receive. *Note:* I encourage you to do this even if you don't feel like you're in a season of pivot or expansion. I also encourage you to pause and still ask even if you feel you already know the answers. He may have something additional to reveal.

Are you calling me to pivot or expand in this season? (If yes) What do you want to share with me right now concerning the pivot/expansion?

Is there any lie I'm believing about my ability to partner with You to make this pivot or expand my business? (If so), What is that lie? What is the truth that I need to believe?

Exercise #2: Working by the Power of God's Grace

Get quiet and ask the Holy Spirit the following questions. Write down the responses you receive.

In what ways am I currently grinding in business and relying primarily upon my own strength?

How can things be different in my business if I consistently partner with the supernatural flow provided to me by Your grace?

What else would you like to share with me concerning what Shae shared about working by the power of Your grace?

Using all six words, write a bold paragraph that speaks to who you are at the core level and to what you will accomplish with your life. Refine this until you are satisfied it clearly communicates your passion and focus.

Once this paragraph is written, display it somewhere where you can read it out loud over yourself everyday for at least 30 days.

As your story unfolds, and you believe at deeper levels what is written, your heart will burn with more passion and clarity.

Lastly, what are some practical ways to apply what you are becoming?
