GENEALOGY

God shows us great value in descendants through the genealogies in the Bible. Every individual in the genealogy of Jesus was absolutely essential in His birth. Every person in your genealogy was essential in your existence. Ancestors and descendants are equally important. We have not only lost 64 million children to abortion, not counting the additional abortions from Plan B and other forms of birth control, we have lost 60+ million generational lines in the United States alone. What. Have we done?

1. **Psalm 127:3-5** ³ Behold, children are a heritage (gift) from the LORD, The fruit of the womb is a reward. ⁴ Like arrows in the hand of a warrior, So are the children of one's youth Happy is the man who has his quiver full of them; They shall not be ashamed, But shall speak with their enemies in the gate.
2. **Psalm 22:9-10** ⁹ Yet you brought me out of the womb; you made me trust in you, even at my mother's breast. ¹⁰ From birth I was cast on you; from my mother's womb you have been my God.
3. **Psalm 22:30-31** ³⁰ Posterity will serve him; future generations will be told about the Lord. ³¹ They will proclaim his righteousness, declaring to a people yet unborn: He has done it!
