

TAKING A CLOSER LOOK:

PROMISCUITY APPROACHES FOR WOMEN

1. For women, the _____ issue can be that sex (especially immoral sex) is a way of dealing with feeling unloved as a child, by her father, or as a human.
2. _____ View - Demanding obedience from the outside in. "Change your behavior, that's all that matters!"
3. _____ View - Many have fallen. "Let's find out why and heal those parts." Restoration depends on understanding the importance of this view.

PROMISCUITY APPROACHES FOR MEN

1. The same two approaches, legislation and grace, that apply to addressing promiscuity in women apply to _____.
2. Men have the additional need of understanding that they are _____ of women.

3. Men have the responsibility to not fall into the trap of a woman's _____.
4. The most effective promiscuity approach with both men and women is with _____, proactive, Biblical influence by teaching, example, and accountability in the home and by the church from early childhood through adulthood.

SESSION 3 – WORKBOOK
GOD’S WORD ON SEX

The Path to Sexual Healing is a Bible Study we use for our Journey to Purity Bible study that can identify what parts are broken and heal them according to God’s loving Word, both deprogramming what is false and reprogramming truth.
